Welcome to KINDERGARTEN! I am Mrs. Hodges and I will be your teacher for the 2022-2023 school year! I am thrilled to be meeting you soon, and beginning a new school year together. I believe that taking the time to build positive relationships with both the students and the parents is absolutely essential-so I look forward to getting to know you. I love creating a comfortable, safe environment for my students and building a strong "classroom family". I know this year will be filled with lots of laughing and learning and I can't wait to get started!

Your New Teacher,  
Mrs. Hodges

# YOUR TEACHER

My name is Sarah Hodges. I grew up in Ludington and completed my Bachelor's Degree at Michigan State University with certificates in both Elementary Education and Learning Disabilities. After graduating I moved to California where I taught for 12 years. This will be my 18th year teaching. While in California I completed my Master's Degree in Educational Leadership and started my family with my husband John. We now have five children, two dogs and an axolotl.

When I'm not spending time in the classroom my own five children are keeping me busy. We enjoy crafting, hiking, biking, skiing/snowboarding and playing lots of soccer and a little tennis.
