

Dear Parents,

Welcome to Ludington Elementary! I would like to take a moment to introduce myself. I am Alan Albrecht and I am going to be your child's teacher this year.

I am really excited to be part of your child's educational journey. We are going to have so much fun this year! I love to have the children engage in cooperative learning. They will also have time to learn independently as well. Our class will work diligently on learning to read and write, along with improving our everyday Math skills. We will also engage in several units of study in Science and Social Studies.

I look forward to working with you and your child as the year goes on! Here is a classroom supply list that I am requesting for your child. This should get us through the year!

Mr. Albrecht
