

# Welcome to the 2023-2024 school year!

My name is Mrs. Roesler and I am pleased to share that I will be your child's homeroom teacher for 5th grade. Your student will have the opportunity to learn with three teachers this year. I will lead Social Studies and Science, Mrs. Moser teaches English Language Arts, and Mrs. Massie will teach Math.

I am originally from Owosso, Michigan and graduated from Michigan State University - Go State! My husband and I have lived in Ludington for 6 years and enjoy all of the outdoor sports and activities available to us. I also lead yoga in the community. My goal is to help your child R.I.S.E. and become their best 5th grade self. I am ready to share a year full of memories with your child!

I often send messages using Remind. Please follow the QR Code to sign up.

## Meet the Teachers

*Mrs. Moser* - I grew up and live in Ludington with my husband Jesse and 4 kids, Dominic, Saviera, Gillian & Keldon. I graduated from Ferris State University and have been an educator for 17 years. In my free time, I enjoy being with my family, kayaking, traveling, and reading. I look forward to a full year of adventure and learning.

*Mrs. Massie* - This is my 24th year as a teacher. I have degrees from Central Michigan University and Grand Valley State University. I grew up in Ludington and feel blessed to call it my home. I have three children and seven grandchildren. Our family cabin on the shore of Lake Superior is where I love spending time. My hope is to have a great year of growing and learning together.

### Back to School Night

August 30, 2023
