

— WELCOME —
BACK TO SCHOOL

Welcome to the 2023-2024 school year at Ludington Elementary. I am so excited to have your child in my Young 5's classroom. While this is the 3rd year I have been teaching this program, I have been a Kindergarten teacher for 18 years.

On the LASD website you will find the Ludington Elementary Handbook. It will give you a starting point with questions. I will be communicating often with routines and procedures to help support your child during the first few days of school and throughout the school year.

Once our school year has begun, it is important to stay up to date with information. **I am asking each parent to send an email to me BEFORE Back To School Night.** In the subject box, please give me the full name your child will want on their classroom name tag. For example, if your son's name is William but he goes by Will, put "Will" in the subject line. Doing this will allow you to become part of a classroom group email where important information can get to you faster. My email is listed below.

Our classroom supply lists are located online at the LASD website and on the back of this note. You will notice some items need to be in a pencil box and other items need to be in a ziplock bag with your child's name for storage. **Please bring all supplies to Back to School Night, opened and ready for me to access.** It makes the first day of school go smoothly. If you need assistance with supplies, please just email me.

I cannot wait to meet your children and share the joy of learning with them. I am so happy to have you and your child join my Young 5's team this school year!

*Back To School Night will be held on Tuesday, August 29th from
at Ludington Elementary*

Sincerely,

Melissa Ruboyianes - Young 5's Teacher
