Calendar for Bond Election on May 7, 2019

We will review the calendar for Bond Election on May 7, 2019. The dates on the calendar are subject to the Board calling an election.

Preliminary Qualification of Bonds Application

The Preliminary Qualification of Bonds Application was officially submitted to the Michigan Department of Treasury on January 9, 2019. Confirmation of the hand delivery by attorney Jeffrey Soles from Thrun Law Firm will be provided to the Board. The District is seeking an approval date by Treasury of no later than February 1, 2019.

If approved by Treasury, the Board will need to hold a special meeting on Monday, February 4, 2019 to approve a resolution calling the election on May 7, 2019.

Proposed Informational Communications Plan

We will discuss the development of an informational communications plan in the event that the Board approves the resolution calling the election on May 7, 2019.

Selection of Bond Pricing Strategy and Methodology of Sale

We will begin the process of selecting and managing the method of sale of the bonds in the event that voters approve the ballot proposal on May 7, 2019. We will discuss the process of selecting a bond pricing strategy and the method of sale. We will review a best practices document developed by the Government Finance Officers Association, bond strategy results from the 2018 calendar year in Michigan, and the superintendent's recommendation to pursue an open market - competitive sale process.

Proposed Schedule of Events: Series One (1) - Building and Site Bonds

We will review a proposed schedule of events for Series One (1) of the 2019 School Building and Site Bonds, if approved by voters.

Updates from Other Committees

We will review updates from each of the other committees in preparation for the Board meeting on January 21, 2019.
