CITIZEN PARTICIPATION

Review Board Policy 0167.3: Public Participation at Board Meetings

The Board of Education recognizes the value of public comment on educational issues and the importance of allowing members of the public to express themselves on District matters.

To permit fair and orderly public expression, the Board shall provide a period for public participation at every regular meeting of the Board and publish rules to govern such participation in Board meetings. The rules shall be administered and enforced by the presiding officer of the meeting.

The presiding officer shall be guided by the following rules:

- A. Public participation shall be permitted as indicated on the order of business, or at the discretion of the presiding officer.
- B. Participants must be recognized by the presiding officer and will be requested to preface their comments by an announcement of their name, address, and group affiliation, if and when appropriate.
- C. Each statement made by a participant shall be limited to three (3) minutes duration.
- D. No participant may speak more than once.
- E. Participants shall direct all comments to the Board and not to staff or other participants.
- F. The presiding officer may:
 1. interrupt, warn, or terminate a participant's statement when the statement is too lengthy, personally directed, abusive, obscene, or irrelevant;
 2. request any individual to leave the meeting when that person does not observe reasonable decorum;
 3. request the assistance of law enforcement officers in the removal of a disorderly person when that person's conduct interferes with the orderly progress of the meeting;
 4. call for a recess or an adjournment to another time when the lack of public decorum so interferes with the orderly conduct of the meeting as to warrant such action;
 5. waive these rules with the approval of the Board when necessary for the protection of privacy or the administration of the Board's business.
- G. The portion of the meeting during which the participation of the public is invited shall be limited to thirty (30) minutes, but the timeframe will be extended, if necessary, so that no one's right to address the Board will be denied.
- H. Tape or video recordings are permitted. The person operating the recorder should contact the Superintendent prior to the Board meeting to review possible placement of the equipment, and agrees to abide by the following conditions:
 1. No obstructions are created between the Board and the audience.
 2. No interviews are conducted in the meeting room while the Board is in session.

3. No commentary, adjustment of equipment, or positioning of operators is made that would distract either the Board or members of the audience while the Board is in session.
- I. Each Board agenda will include the following statement, "Public participation shall be permitted only as indicated on the order of business."

DISCUSSION ITEMS

District Pupil Membership Count Day Enrollment Update

We will review a preliminary fall pupil membership count day enrollment update. The official count number will not be finalized for six more weeks yet.

Elementary Bond Project Application and Certificate for Payment #6

We will need an action item at the Board meeting on Monday to approve the certificate for payment on the elementary school bond project and to authorize the District to pay **\$1,385,738.58**, as certified by the architect and construction manager, and as outlined in the Certificate for Payment. The District received the authorized documents on October 9, 2020.

New Elementary School Technology Systems Bid Award

We will review the bid report and recommendations submitted to the District by Communications by Design and discuss the awarding of the new elementary school technology systems bids to Parkway Electric of Holland, MI and Moss of Grand Rapids, MI. The action item will read:

To approve contracts with Parkway Electric of Holland, Michigan in the amount of \$255,550.00, inclusive of combined award and warranty bid alternates, for new elementary public address and clock systems, and with Moss of Grand Rapids, Michigan in the amount of \$259,790.21 inclusive of combined award and warranty bid alternates, for new elementary building access and video monitoring systems, to be paid with funds from the 2019 bond proceeds.

Employee Health Insurance Renewal Update

We will discuss and review the health insurance renewal presentation that was provided to the District by our employee benefits account executive at SET SEG. We will also discuss and review the renewal rates sheet provided to the District by SET SEG. This information was provided to the District on October 2, 2020.

Financial Audit Update

Auditors from Hungerford Nichols are working through the final stages of the financial audit for the year ending June 30, 2020. One component of the new state budget that was signed into law by the Governor on September 30 was a change to the due date for submitting our audited financial statements to the State of Michigan. This submission has historically been due on November 1 each year, but with some of the hurdles that have been presented this year, the deadline has been extended to December 1, 2020. We will discuss the timeline for sharing the

completed annual financial report and the financial statements to the committee for your review prior to the audit exit conference that will be conducted by the auditors.

Retirement of Food Service Director

We have received the retirement notice for Donna Garrow, the District's Food Service Director, effective at the end of December 2020. We will discuss options for replacing this position.

Update on Extended COVID-19 Continuity of Learning Plan

On August 20, 2020, Governor Whitmer signed House Bill 5913 into law as Public Act 149. Section 98a states that in order to receive state aid for 2020-2021, districts must provide for instruction under an extended COVID-19 Learning Plan ("Plan") that has been approved by an intermediate district or authorizing body. The Plan does not replace the District's/PSA's COVID-19 Preparedness and Response Plan, it is an additional plan that includes new assurances and sections on educational goals, instructional delivery, grading, and equitable access.

Section 98a(1)(c) states, "Thirty days after the approval of the plan under subsection (2), and every 30 days thereafter, the district must, at a meeting of the board or board of directors, as applicable, of the district, reconfirm how instruction is going to be delivered during the 2020-2021 school year. Public comment must be solicited from the parents or legal guardians of the pupils enrolled in the district during a meeting described in this subdivision." Section 98a(1)(i) states, "The district shall publicly announce its weekly interaction rates under this subdivision at each reconfirmation meeting described in subdivision (c) and make those rates accessible through the transparency reporting link located on the district's website each month."

We will review the Extended Continuity of Learning Plan Reconfirmation Meeting template and reconfirm how instruction is going to be delivered during the 20/21 school year, accept public comment during the meeting from parents and/or guardians on the Extended Learning Plan, and review weekly 2-way interaction rates. We will also discuss any changes to the plan. We will also complete each of these tasks at the Board meeting on Monday so that the Board can reconfirm the District's Extended Continuity of Learning Plan.

Updates from Other Committees

We will review updates from each of the other committees in preparation for the Board meeting on October 19, 2020.
