

OJ DeJonge Middle School English Language Arts Teacher Posting - OJ DeJonge Middle School in Ludington, MI seeks a dynamic, relationship-driven English Language Arts teacher to provide instruction to middle level students in a building that works to provide students with an experience-rich education that promotes independence and responsibility. OJ DeJonge Middle School, located near the Lake Michigan shoreline, has recently undergone a major renovation project to provide teachers with the most up-to-date teaching technology in a positive classroom environment. The successful candidate for this full-time position will meet the requirements listed below:

Duties and Responsibilities:

- Plan, prepare, and deliver lesson plans and instructional materials that facilitate learning for middle level students using the Michigan standards for English Language Arts and the district-approved curriculum to drive instructional decisions.
- Collaborate with teachers within the structure of a Professional Learning Community to enhance curriculum, instruction, and assessment.
- Use relevant technology, including the development of learning modules in the Canvas Learning Management System, to support and differentiate instruction and engage students in the learning process.
- Establish a classroom structure that values positive relationships and supports the Positive Behavior Interventions and Supports system.
- Communicate necessary information regularly to students, colleagues, and parents regarding student progress and needs.
- Establish and communicate clear objectives for all learning activities.

Additional Qualifications: Qualified candidate should skillfully demonstrate the following competencies:

- The strong desire and ability to build meaningful, caring relationships with students.
- The skill and willingness to leverage the ASCD Whole Child model to ensure that students' social, emotional, nutritional and health needs are addressed.
- The ability to collaboratively create and execute clear, logical instructional plans that produce strong results in student learning.
- The ability to integrate 21st Century competencies such as technology literacy, collaboration, communication, critical thinking and problem solving, goal setting, ethical citizenship, and personal accountability in curriculum.
- The capacity to create a system of ongoing data collection and analysis to inform a tiered intervention system.
- The capacity to align curriculum, instruction and assessments while responding to individual needs of students.

Required Professional Qualification:

- Bachelor's Degree (or higher) in Education
- Valid Michigan Teaching Certificate in English Language Arts
 - BA or BX certification
- Valid state licensing to meet Highly Qualified requirements
