

District Substitute Teacher

This position will serve as a substitute teacher across the district and will report on a daily basis regardless of whether there are substitute openings available. The successful candidate must be Michigan Teacher Certified and Highly Qualified with an EX (Math) endorsement.

Duties and Responsibilities:

- Plan, prepare and deliver lesson plans and instructional materials that facilitate learning for primarily high school level students.
- Use relevant technology to support and differentiate instruction and engage students in the learning process.
- Establish classroom structure that values positive relationships through intentional implementation of the district curriculum and support the Positive Behavior Interventions and Supports system.
- Support non-academic needs through the student support network district system of all students in order to remove barriers that interfere with academic success.
- Exhibit an ability to work within the Professional Learning Communities method of curriculum development.
- Communicate necessary information regularly to students, colleagues and parents regarding student progress and needs.
- Establish and communicate clear objectives for all learning activities.

Additional Qualifications: Qualified candidate should skillfully demonstrate the following competencies:

- The strong desire to achieve outstanding results in a short amount of time.
- The strong desire and ability to build meaningful, caring relationships with students in order to exert academic press and influence.
- The skill and willingness to leverage the student support network to ensure that students' social, emotional, nutritional and health needs are addressed.
- The ability to collaboratively create and execute clear, logical instructional plans that produce strong results in student learning.
- The capacity to rigorously create and sustain a well-orchestrated system of on-going data collection and analysis to inform a continuously responsive and adaptive system of tiered instruction attentive to student's specific academic needs.
- The capacity to align curriculum, instruction and assessments while responding to individual needs of students.
- The ability to seek out knowledgeable peers, coaches or administrators for instructional support in the never-ending quest to deliver the vision of high quality subject-specific instruction in every class period of every day.
