All About Me

My name is Christine James and this will be my 26th year of teaching. I earned my undergraduate degree in elementary education and special education from Central Michigan University and my graduate degree in elementary education from Grand Valley State University. I taught special education for 7 years, 4th grade for 3 years and this will be my 16th year teaching 3rd grade.

My husband, Wade James, is a math professor at West Shore Community College. We have two sons; Will is a freshman at GVSU and Luke is a junior at Ludington High School.

We have a dog, Ben, and two cats, Max and Silky. I enjoy traveling, running, being outdoors and spending time with family and friends.
