

WELCOME TO 5TH GRADE

Dear students & families,

We would like to welcome you back to the 2024-25 school year. It is our pleasure to announce your student has been assigned to Mrs Massie's homeroom.

Your student will have the opportunity to learn with three teachers this year. Mrs Massie will lead Math, Mrs Moser will lead English Language Arts, and Mrs Roesler will lead Social Studies and Science. During the first few weeks of school we will practice expectations and procedures. We will get to know each other and start up the path to being our best fifth grade selves.

I use Remind often, please sign up to receive communications about our year.

MEET YOUR TEACHERS

Mrs Massie: This is my 25th year as a teacher. I graduated from Central Michigan University and received a Master's degree from there, as well as one from Grand Valley State University. I grew up in Ludington and feel blessed to call it my home. I have three children and seven grandchildren. Our family cabin on the shore of Lake Superior is where I love spending time. My hope is to have a great year of growing and learning together.

Mrs Roesler: I am originally from Owosso, Michigan and graduated from Michigan State University - Go State! My husband and I love living in Ludington and enjoying all of the outdoor sports and activities available to us. I also lead yoga in the community. This is my 17th year in education. I am ready to share a year full of memories with your child!

Mrs Moser: I grew up and still live in Ludington with family. I have 4 kids, Dominic who is in college, Saviera & Gillian are juniors at LHS, and Keldan a sophomore at LHS. I have degrees from Ferris State University and Augustana University. In my free time I enjoy being with my family, kayaking, traveling, and reading. I look forward to a year full of adventure and learning.
