## All About Me

I've lived many places in Michigan, but I love living in Ludington! I've lived here for the past 5 years with my 2 daughters, Savannah & Cassidy, and our cat, Pebbles. This is my 2nd year teaching 3rd Grade. I've been in education for 13 years, including: subbing, university teaching assistant, homeschooling, online ESL, and a K-2 Reading Aide at LES. I'm so excited you're in my class!

We'll learn a lot together!
