Mrs. Stowe

Welcome to Kindergarten!

I am pleased to welcome you to the 2024 - 2025 school year! I am looking forward to having your child as a student. Kindergarten is such a fun year with so many wonderful learning activities to celebrate. In order to have a fun year, my most important goal is to create a family of learners in my classroom. I am committed to creating a classroom environment where your child is a valued, trusted, and integral part of our family of learners. In order to accomplish this, I have planned a variety of activities to emphasize and reinforce this goal. It is my hope that you will support and encourage this vision at home.

Email

I am asking each parent to send an email to me BEFORE Back to School Night. In the subject box, please type your child's full name. Doing this will allow you to become part of a classroom group email where important information can get to you faster. My email is listed below.
